To
The Board of Directors of
Jackson Investments Limited

Opinion

We have audited the accompanying Statement of Financial Results of **Jackson Investments Limited (CIN: L65993WB1982PLC03521)** (the "Company"), for the quarter and year ended March 31, 2025 (the "Statement"), attached herewith, being submitted by the Company pursuant to the requirement of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended (the "Listing Regulations").

In our opinion and to the best of our information and according to the explanations given to us, the Statement:

- i. is presented in accordance with the requirements of the Listing Regulations in this regard; and
- ii. give a true and fair view in conformity with the recognition and measurement principles laid down in the applicable Indian Accounting Standards, and other accounting principles generally accepted in India, of the net Loss and other comprehensive Income/(Loss) and other financial information of the Company for the half year and year ended March 31, 2025.

Basis for opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143 (10) of the Companies Act, 2013, as amended ("the Act"). Our responsibilities under those Standards are further described in the "Auditor's Responsibilities for the Audit of the Financial Results" section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our opinion.

Emphasis of Matter

We draw attention to the following matters in the accompanying financial statements:

1. Certain balances of trade receivables, trade payables, and loans and advances are subject to confirmation, reconciliation, and consequential adjustments, if any. The management has obtained confirmations for some of these balances and is in the process of obtaining the remainder (*Note 4 to financial results*).
2. The Company has ongoing matter with 'Office of Registrar of Companies, West Bengal' ('ROC') (Letter ROC/TS/206(4)/Inquiry/490/23/3836 dated 9 August 2024), wherein, ROC has ordered an inquiry in the books of accounts & other records / papers of the Company, which *inter alia*, involves a past matter relating to 'loan' receipt / 'payment'. The management has represented that it does not expect any negative outcome on account of the said matter (*Note 5 to financial results*).
3. In accordance with Object clause A. - 1. & 2. of its 'Memorandum of Association', the Company is engaged in Investments and trading of shares and securities and other financial activities and meets the criteria specified under Section 45-IA of the Reserve Bank of India Act, 1934, requiring registration as a Non-Banking Financial Company (NBFC). However, the Company has not obtained such registration from the Reserve Bank of India.
4. The Company holds investments in various unlisted companies, valued at INR 778.43 Lakhs as on 31 March 2025. The Company had last undertaken fair value assessment of these investments by obtaining valuation reports for valuation as on 31 March 2024. The management have undertaken self-assessment of these investments as on 31 March 2025 and based on the same, they do not expect any material changes to the fair value determined under previous valuation reports. Therefore, the management has decided to carry same fair value of investments as on 31 March 2025. We have solely relied on management's representation in this regard. (*Note 6 to financial results*)
5. The Company holds 'stock-in-trade' of shares in listed Companies, which are not currently traded on any stock exchange (Calcutta Stock Exchange). Based on Company's anticipated recovery at disposal of these shares, the Company has valued such stock-in-trade' at nominal value of INR 1 per share, totalling to INR 1.49 Lakhs. (*Note 7 to financial results*)
6. During past years / periods, the Company had given various advances (recoverable in cash / kind) totalling to INR 956.38 Lakhs (gross value) – shown under 'Other financial assets (current)'. The management has explained us that these advances were given for the purpose of acquiring of shares / securities, however, such acquisition is pending as on balance sheet date. The management is in process of either settling these transactions by acquisition of shares / securities, or by squaring off the advances through repayment. We have solely relied on management's representation in this regard (*Note 8 to financial results*).

7. During the year ended 31 March 2025, the Company has undertaken recognition and measurement of Expected Credit Loss (ECL) on its financial assets as required under Ind AS 109 - Financial Instruments, (including in respect of receivables under dispute) (Note 10 to financial results). Considering that ECL provisioning is mandatory under Ind AS 109, the Company has carried out the recognition and measurement retrospectively at year end in accordance with Ind AS 8 (considering the same as prior period error) (*Note 9 to financial results*)
8. Based on our review, it is observed that interest income is not recognized on some of outstanding loans and advances given to various parties as interest income could not be crystallized from such parties. However, the management is of the opinion that it will be able to soon recover the principal amount from these parties. The Company has considered ECL provision in respect of these parties as per the policy adopted considering them as credit-impaired financial assets. In the absence of any further details / documents, we have solely relied on management's representation with regard to the items of these loans and the ECL provision thereof.
9. The Company has outstanding 'trade receivables' for more than 3 years, totalling to 303.72 Lakhs (gross value) in respect of shares transferred by it to such parties. The management is of the opinion that it is in process of recovering these amounts. The Company has considered ECL provision in respect of these parties as per the policy adopted considering them as credit-impaired financial assets.
10. The Company has a dormant bank account (held with Kotak Mahindra Bank) totalling to 0.20 lakhs, reflected in the books of accounts. The balance is pending confirmation and may require adjustments upon receipt of relevant statements. (*Note 10 to the financial results*).

Our opinion is not modified in respect of these matters.

Management's Responsibilities for the Financial Results

The Company's Management and the Board of Directors are responsible for the preparation and presentation of statement that gives a true and fair view of the Net Loss and other comprehensive income/(loss) and other financial information in accordance with the recognition and measurement principles laid down in Indian Accounting Standards prescribed under Section 133 of the Act and other accounting principles generally accepted in India and in compliance with Regulation 33 of the Listing Regulations.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring accuracy and completeness of the accounting records, relevant to the preparation and presentation of the annual financial results that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the statement, the Management and the Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Results

Our objectives are to obtain reasonable assurance about whether statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these statement.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. Also:

- Identify and assess the risks of material misstatement of the statement, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management and the Board of Directors.
- Conclude on the appropriateness of the management and Board of Directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial results or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the statement including the disclosures, and whether the Statement represents the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Other Matters

The statement includes the results for the quarter ended March 31, 2025 being the balancing figure between the audited figures in respect of the full financial year ended March 31, 2025 and the published unaudited year to date figures up to 31 December (ie, end of quarter 3) of the current financial year which were subject to limited review by us as required under the listing Regulations.
